

School Parking/Drop Off and Pick Up

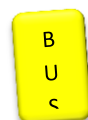

Dear Parents and Caregivers,

Just a reminder in the interest of student safety, parents and caregivers are not permitted to park in the gravel car park between the sheds and the kindergarten playground. It has been deemed that there is a potential risk of children running behind reversing cars. This area has been clearly sign posted. The staff car park is strictly for staff parking only. There is provision for parents to park for school drop off/pick up on Ridley Street as defined by a red arrow on the map above. There is also plenty of room along Redmond Street, also marked with a red arrow. There are two gates near the undercover area where children can safely enter/exit the school. Your assistance in this matter is much appreciated. Thank you, Steph
