Welcome to week 8 Term 3

I would like to welcome our newest family to Tammin Primary School. All students have made Tayla, Tyson and Khloe feel extremely welcome on their first week of school.

We currently have 66 students enrolled at Tammin Primary School.

NAPLAN reports were sent home with Year 3 and Year 5 students. We are in the process of analysing NAPLAN data and setting new Operational and Strategic targets. Results are very pleasing and all students, teachers and parents should be proud of the achievements.

I would like to congratulate all the students who competed in the Cross Country at Meckering. Thank you to all parents for coming along to support students. Students were dedicated to their training and through commitment their endurance improved, speed increased and techniques develop. It was a great day and pleasing to see all students try their best and have fun.

Landscaping, Grounds and Improvement project is developing with a strong sense of commitment from all Grounds Committee members, community members, staff and students. We are in the process of improving the Early Childhood playground with secure fencing, purchasing a new playground and resurfacing the netball courts.

A reminder that interviews will be held during this term in Term 3. Interviews are an opportunity for parents, student and teachers to reflect on progress, identify areas for student improvement and acknowledge achievements. Parents will be advised to communicate any parent/teacher meetings via student diaries.

I would like to thank P&C for contributing to the costing of camp and camp shirts. Rosalie has done a magnificent job in meeting with camp students to organise a camp shirt. It is not an easy job to have all Year 5 and Year 6 students agree on a colour, logo, picture and names. Rosalie has also measured all students for correct size so they feel comfortable, identifiable and proud in their camp shirts. These will be handed out to students prior to the camp commencing.

It has been decided that we no longer require a Sports Liaison officer. Staff have taken on the role and it has been pleasing to see the staff develop leadership skills and qualities within this duty. Thank you Narelle for previously volunteering your time and effort within this role.

The Tammin-Meckering Athletics Carnival last Friday was a fantastic success. We had a large amount of parents, carers and community members volunteer their time on the day which made for some great community spirit and we thank you very much for all of your help. There was some wonderful camaraderie and great displays of sportsmanship and I would like to congratulate all of the students for their efforts. Well done to Red Faction and to all of our Champion and Runner up winners.

Miss Carmody has done a fantastic job in coordinating the carnival. I would like to express my gratitude to Roger, Stuart, Jason, Gavin, Nick and Narelle for marking the oval prior to the event - it was very much appreciated.

Jordana Yearsley - Principal
Congratulations to all of our students who competed in Cross Country at Meckering last week.

James, Clare, Mitch, Tyler, Clancy, Maylee, Grace, Jack, Alex, Zoe, Campbell, Rohan, Holly, Sophie, Jake, Rian, Angela, Ally, Noah, Morris and Ruby

**Primary Shield**

Tammin – equal 5th 36 points

Winner – Cunderdin 67 points

**Handicap Shield**

Tammin – 3rd 176 points

Winner – Wyalkatchem 190 points

Parent/Teacher Interviews will be commencing in Week 8.

Please arrange a suitable time with the teacher through your child/ren’s communication book.

Happy Birthday!

Merino Sheep Talk and display

On Monday 22\textsuperscript{nd} August the students were lucky to have Mr Mackin and Mr Button visit the school with two rams from their sheep studs, Manunda and Kamballie. The students were able to touch and feel the sheep, learn about Merinos and their main purpose for wool production. They also learnt about the process of manufacturing wool to reach the clothing stage and the children were able to take home some wool samples. A big thankyou to Shane Mackin and Wayne Button for taking the time to bring the sheep to school and talk to the students, it was a fantastic experience for them.

ROAD SAFETY WITH IZZY THE DINOSAUR – K/PP
Asthma Management in Winter and Spring

Asthma is one of the most common chronic childhood conditions, affecting 1 in every 10 children in Australia. Emergency admissions and hospitalisations peak during the winter for children with asthma and flare-ups are often more prevalent during the winter and spring. However, good management can help children with asthma and their carers get through this tricky time of year with more confidence.

School staff can support children with asthma by:
- ensuring your Asthma First Aid training is up-to-date. There are free online and face to face options available
- knowing the location and contents of your school’s Asthma Emergency Kits
- being aware of which students in your classes have asthma
- ensuring your school has a relevant Asthma Policy
- informing parents/carers when students are using their reliever medication at school

Asthma Week (September 1 - 7) marks the first week of spring and most people with asthma or allergies need to take extra care. Pollens from grasses, weeds or trees can trigger allergic responses, causing asthma and hayfever to flare-up. Asthma and hayfever are closely linked, and approximately 80% of people with asthma also have hayfever.

About asthma and hayfever:
- treating hayfever can help keep asthma under control
- find out what triggers a student’s hayfever and try to avoid these allergens where possible
- corticosteroid nasal sprays are the most effective medicine for persistent hayfever. They need to be taken regularly to work properly
- antihistamine tablets or nasal sprays are the most common choice for people with hayfever. They help to relieve the symptoms such as a runny nose, sneezing, itchy eyes and nasal congestion
- continue to take asthma preventer medication every day as prescribed to reduce the likelihood of hayfever and asthma flare-ups
- ensure the school always has Asthma Emergency Kits available

Go Health!

Dental health - Keep your child’s teeth healthy

Here are some tips to keep teeth healthy:
- Brush teeth at least twice a day with a soft toothbrush. Parents should supervise tooth brushing until children are 8 or 9 years old as they haven’t got the skill to brush the molars properly until then.
- Adults and children should use a pea-sized amount of fluoride toothpaste. Toothpaste should be spat out after brushing and not swallowed. Do not rinse your mouth out with water after brushing your teeth.
- Rinse your toothbrush thoroughly after brushing and store it hygienically. Replace your toothbrush regularly.
- Older children and adults should floss their teeth daily.
- Eat and drink a healthy diet – avoid too much sugar, especially between meals.

For more dental health information, go to [www.dental.wa.gov.au](http://www.dental.wa.gov.au)

You can post all your old photos and tag family and friends.

100 YEARS
1916-2016
COME AND HELP US CELEBRATE
Wheatbelt Crunch&Sip® Challenge!

Wheatbelt Health Promotion Officers have put out a challenge for students to showcase their artistic abilities this Fruit and Veg September. Primary school students are invited to get creative and design a poster, write a limerick or a poem or take an artistic photo which demonstrates how they enjoy their fruit and vegetables. We would love to see something bright, colourful and fun!

**Focus:** Remember the focus is on fruit and vegetables and how you enjoy them at home, at school, or when playing with friends.

**Prizes:** There will be one major prize for the winner, including a bonus prize for everyone in their class to enjoy, and three runner up prizes.

**Entry Details:** Please send your entries to:
Fruit and Veg September Competition
PO Box 337
Northam, WA 6401

or email wheatbelt.phu@health.wa.gov.au. Entries will be displayed in the window of the Wheatbelt Public Health Unit throughout Fruit and Veg September. Winners will be drawn Monday 3rd of October.

**Don't forget to put your name, school and your Teacher's name on the back of your entry.**

![Fruit and Veg Characters](image)

**Good Luck!!**

To be displayed, consent forms are needed for photos that include adults and children. These forms have been provided to your school.
