- ⇒ Wednesday 11/18/25th Sept Growth and Development Yr 5/6
- ⇒ Thursday 12th Sept Term 3 Assembly - K-2 presenting
- ⇒ Friday 20th Sept Interschool Athletics @ Quairading
- ⇒ Friday 27th Sept Last day Term 3 and Portfolios sent home

Tammin -Meckering Athletics Carnival this Friday!

The Athletics Carnival is this Friday, thanks to all of the volunteers so far. Please confirm with Tanya Nicholls if you can help in the kitchen so she can set up a roster.

Can normal bus travellers please notify your driver if you will require bus pick up/drop of Friday. Students arriving at school prior to the Carnival will be walked to the oval with staff.

Please be at the Oval between 9.15 and 9.30am so we get proceedings underway as close to 9.30 as possible. Lunch will be approx. 12pm for 15min and students will be required to stay in their Faction bays.

Erth's Dinosaur Zoo

Last Wednesday we all headed down to the Tammin Town Hall to watch a show about dinosaurs. We were not sure what to expect. Everyone was very excited! We didn't really know what a Dinosaur Zoo would look like.

We were in for a great surprise, with so many different dinosaurs to meet and scare us. There was a lot of laughter and some tears. The show was very interactive, and a lot of the students were a part of the show. We meet cute baby dinosaurs and some teeth-gnashing giants. All the dinosaurs were life-like, just like they were really on stage at zoo, and most of them were friendly. Many of the dinosaurs came very close to the audience and tried to eat several of the children. The performance was fun, educational and unique. We can't thank the shire of Tammin enough for allowing us to attend such an outstanding performance for free and sit in the front row.

Library Fun with Mrs Thomson

Book Donations Wanted

The Wheatbelt Youth Council (Clare and Lexie - Tammin representatives) will be running a Book Stall at the Kellerberrin Show on the 18th October, raising money for an end of year reward to be shared amongst Kellerberrin and Tammin Schools.

Any donations will be greatly appreciated and can be sent in to the school office. Please drop in to visit the stall at this years Show and offer your support to the Student Councillors.

Tastes of Tammin

On Saturday night the Tammin Community was treated to a myriad of culinary delights at the 'Tastes of Tammin' P&C fundraiser.

A fantastic night was had by all attending the event and a huge thankyou must go to everyone involved with cooking, serving, setting up and organising. The P&C raised just over \$2000

K/PP/1/2 News!

We are always busy little bees in the K-2 class!

On Monday the K/PP children were exploring the 'k' sound. We practiced a new skill of sewing to make kangaroo pouches. It was lots of fun but some of us found sewing really difficult! We hope we did a good job, otherwise our kangaroo joeys might fall out!!

The K/PP children also made a kite on Monday. It was really tricky to tie the knots on our string! Monday was a fantastic day to fly a kite!!! Danama's even flew over the fence!!! The Kindy children completed a kite colour by number picture. We are trying really hard to look at the first sound in words to gain meaning.

The K/PP children made kiwi fruit kebabs. We had to use a knife to cut the ends off the kiwi fruit and trim off the skin. We then had to cut the kiwi into small pieces so we could thread it onto a kebab stick. The Pre-Primary children wrote about the procedure they followed. We are getting very clever!

The Year 1 and 2 children spent the morning exploring the "oo" as in 'book' sound which can also be made with "u" as in 'bush.' Each Monday they read a given text and complete related comprehension questions. Their writing task this week was writing a report on strawberries. In Science we are exploring changes in food and are learning about how heating or cooling a food can change its properties and whether the change can be reversed or not. This week we looked at the difference between raw spaghetti and cooked spaghetti and used comparison language. We then made a picture with cooked spaghetti which is much easier to work with than raw spaghetti. Kye made a building that was flooded. Mardi made a house. Romeo made a love thing for his Mum. Nelliah made a beach picture. Charlotte-Jane made a beach picture.
