18 October 2021  
Week 2 Term 4

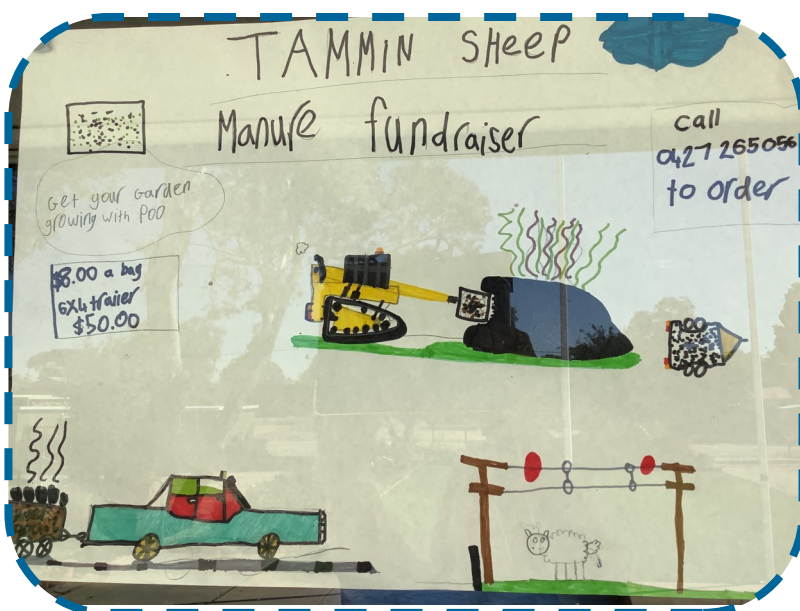

## NAIDOC DAY Wednesday 20 October

This Wednesday we will celebrate NAIDOC Day, and families are very welcome to come and participate with their children. We will start after recess at 11:30 with a Welcome to Country and Rebecca Fitzgerald will tell us about why NAIDOC Day is important to commemorate. We will have activities like dancing and cooking, and a prepared lunch with some traditional bush tucker will be provided. You can even try a kangaroo sausage, burger or kebab. At the end we will gather together for some prizes and will be finished at 3:05.

The students from the senior class made some Aboriginal clay humpies.

- Thursday 16 December-Last Day of Term 4
- Friday 17 December –School Development Day  
NO STUDENTS

# SCITECH INCURSION

Last week Scitech came to visit our school and presented the students with some Chemical Science Shows and Workshops. Thank you to the wonderful presenters Kate and Zoe, for their fun and exciting demonstrations.

The senior class used tools to explore chemistry and reveal unseen properties!

The junior class explored what happens when common ingredients found at home get mixed together!
